Re: Police Record Clearance Service

To Whom It May Concern

Camp Artaban Society employs volunteers as part of our summer camp programs.

Camp Artaban Society requires that our volunteers undergo a criminal record check and vulnerable sector check, in order to confirm they are fit to work with children and youth, and that their records be clear of any related crimes. It is the Society's understanding that the fee for this service is waived for volunteers.

_____ is a volunteer working with youths, receiving no remuneration.

Sincerely,

S La Charite
