LUGGAGE ALLOWANCE

PROCEDURE

Luggage is limited for the safety of our staff and space on the boats.

1. Campers are allowed **ONE** piece of luggage of under **20kg** (44lbs) per piece, sleeping bag & pillow and **ONE** small day pack. DO NOT PACK IN GARBAGE BAGS!*
2. Use **ONLY** duffel bags, packs or strong suitcases that close securely. Do not attach any items to the outside of luggage. (Please use waterproof luggage/bags whenever possible.)
3. **Write camper's name** on all luggage in large, clear letters.

*NOTE: Please DO NOT pack items in garbage bags, as the gear goes through significant handling to and from camp. Garbage bags rip, leaving contents spilled, lost, dropped, etc.
