

CAMP ARTABAN SOCIETY

Dear Friend of Camp Artaban,

Think back on your memories of camp. Are you recalling long summer days and warm summer evenings? Sitting in the dining hall with a cup of coffee, early in the morning, before the campers were awake. Or maybe, being woken up unceremoniously by the gong, far too early after a late night of sneak-outs with your campers. Singing in the chapel and knowing you were one of God' s children and loved beyond belief. Gathered around the campfire at night, laughing at the same-old skits, singing the fondly familiar campfire songs. Meeting that person who was to become your forever partner. Waving from the boat and singing about how much you will miss Artaban until the next time you can return.

Whether as a camper, a staff member, or member of the community, we all have strong memories of this unique and beautiful place. It was important to us, we gave our time and talents to camp and in return, camp gave us laughter, friendship, hope and a place to belong. Even if we have never experienced camp ourselves, as parents we understand how important Artaban has been in our children's lives. Without your financial support now, the reality is, Camp Artaban may not be there for the next generation of campers and staff. By the grace of God, we were able to re-open our doors four years ago but we are still struggling to bring camper numbers and donations to a place of sustainability.

Please give generously now! Please consider becoming a monthly donor and help us provide life-long memories to a new generation of campers and staff.

To donate, please go to the Camp Artaban website by [clicking here](#) to view a number of options on how you can donate. You can also send a cheque or phone the office at 604 980 0391.

Blessings, and many thanks in advance for your donation.
