

Onsite Protocols during COVID-19

*** These procedures have been tailored to accommodate work parties, tour groups, rentals and any temporary visitors on the property.**

Before boarding the boat in town

- Work party participants must sign a one-time contract stating they will follow all Work Party expectations.
- Before attending individual work parties, participants must sign a contract stating they are in good health and do not have any symptoms of COVID-19. Artaban will provide copies to sign before boarding the boat.
- Participants are expected to provide their own personal supplies if possible (face masks, facial tissues, work gloves, tools, eye safety etc).
- Physical distancing is expected on board the water taxi.
- Participants are expected to load their own luggage.

Upon arrival at camp

- Participants are expected to unload their own luggage off the boat and load it into the truck. When luggage is unloaded and moved into sleeping quarters, participants must wash their hands.
- Physical distancing is required at all times while onsite.
- The use of personal protective equipment (face masks or shields) is recommended when safe physical distancing is not an option.
- Frequent hand washing is required at all times while onsite.

Accommodations for 12 participants max. per work party session

- Somerville – 8 residents maximum, one person per room, excluding family groupings
- Director's hut – 3 family groupings to a maximum of 6 people in total
- Hospital – 2 family groupings to a maximum of 4 people
- Stumps – one person per room

At camp

- Tools that are borrowed from the workshop must be signed out and sanitized upon return at the end of the work session.
- Meals will be served cafeteria style and participants will follow physical distancing expectations during meal times.

- The coffee station and snack table are closed. All food and beverages are served by the kitchen staff.
- Kitchen staff must maintain physical distancing.
- Kitchen workers must not wear aprons outside of the kitchen/courtyard/veg hut. Workers must wash hands upon re-entry to kitchen.
- One person may occupy the dishwashing pit at a time. One person may occupy the back-sink area at a time. One person may work in the main kitchen at a time.
- Proper food safe practices must be followed at all times.
- The back-right bedroom in the hospital and the second bathroom will be reserved for medical isolation. If someone develops symptoms while on site, transportation back to the city will be arranged as soon as possible, at the participants expense.

Waterfront use during a work party

- A lifeguard with a minimum of Bronze Cross certification must be present
- Wash hands before going to the waterfront
- No boats
- No lifejackets, unless personal ones are used
- Toys are used by one person at a time and are sanitized after each use
- Physical distancing is to be maintained at all times
- Ladders will be sanitized after installation and removal
- No night swimming
